Celebrating 35 Years of Urban Recipe

SPONSORSHIP PACKET

A NEW TRADITION FOR URBAN RECIPE

As Urban Recipe celebrates 35 years of strengthening food security and building community, we are proud to launch Casks & Community, a new tradition bringing Atlanta together around bourbon, barbecue, and live music, in support of our mission.

Urban Recipe, ASW Distillery, and the Atlanta Woman's Club share a belief that meaningful relationships are built around a shared table. This event was created at that intersection: three Atlanta institutions, one evening, one shared purpose.

More than a fundraiser, Casks & Community marks the start of a new kind of gathering for Urban Recipe, one that brings our community together to celebrate, connect, and ensure every family has access to food, support, and belonging. We're excited to see where this tradition takes us in the years ahead.

EVENT EXPERIENCE

Guests will enjoy:

- Premium Bourbon Experience: Curated bourbon tastings and specialty cocktails featuring spirits provided by ASW Distillery.
- Exceptional Barbecue: A high-quality culinary experience designed to complement the bourbon offerings.
- Live Music: Entertainment that creates an energetic and welcoming atmosphere.
- Silent Auction: Unique experiences and items benefiting Urban Recipe.
- Community Connection: Meaningful conversations and relationships built around a shared commitment to strengthening Atlanta.

THREE ATLANTA INSTITUTIONS. ONE SHARED TABLE.

For 35 years, **Urban Recipe** has worked alongside neighbors to strengthen food security, build relationships, and create pathways toward long-term stability.

At the heart of Urban Recipe's work is a simple belief: when people gather around a shared table, community grows. Through Food Co-ops, Mobile Pantry, and neighborhood relationships, Urban Recipe helps create spaces where food becomes a catalyst for connection, dignity, and belonging.

For more than a century, the **Atlanta Woman's Club** has been dedicated to civic engagement, philanthropy, and strengthening the Atlanta community. At the center of that legacy stands the historic **Wimbish House**.

Once a private home, The Wimbish House has become a treasured community gathering place where people come together to celebrate life's milestones, support charitable causes, and invest in the future of Atlanta.

Through its generous partnership and stewardship of this historic landmark, the Atlanta Woman's Club continues its longstanding commitment to creating spaces where community can flourish.

DISTILLERY

ASW Distillery has built its reputation on hospitality, craftsmanship, and bringing people together. Whether gathering friends over a thoughtfully crafted cocktail or creating memorable experiences around exceptional spirits, ASW understands the power of shared experiences to foster connection and community.

As Atlanta's hometown distillery and spirits partner for the evening, ASW helps create an experience that celebrates both hospitality and purpose.

WHERE YOUR SUPPORT GOES

Proceeds from Casks & Community support Urban Recipe's work to strengthen food security, foster community connection, and create pathways toward stability for families across metro Atlanta.

Your financial contributions will directly support our Food Co-ops, Mobile Pantry, Cooperative Pathway Program, and community engagement.
